# Foreword

Come sail with the Coronal 1958 as it sails over the turbulent main of sports, the rugged channels of administration, the pulsing Pacific of gaiety. Throughout this cruise we hope that the glories which have founded these activities will not be obscured.

How thrilling it is to see white folds of canvas whipped into refuge behind the breakwater which, like a protective sea monster, lies curled on the waves. Here our ship strains and tugs at its anchor to be free once more. Students driven by the restless winds of desire are also chaffing to leave the home port—like the yacht they seem carefree, light, gay, and colorful as they emerge on the chopping sea. Yet under the veneer of sophistication, this gay abandon typified by the lithesome yacht, there is a thorough preparation of character gleaned throughout a long stay in home port, where they acquired tools with which to meet the world.

Twilight envelopes all in a cloak of rosy hue; tinted clouds are draped over majestic mountains of mauve. Darkness falls and lights appear; the bells of the night watch break the shimmering bubble of our dream.

And so it is this, as well as the accomplishments of the year, that we want you to catch as the pages of this, the 1958 Coronal, unfurl.

So a real nice guy - I have been great being in chemistry with you this year. See you next year.

As we graduate from high school and look back over the years we remember an understanding, jolly and sympathetic man who was always willing to give his time and energy to help us with our problems.

In appreciation of this fine teacher's love and interest for young people we want to dedicate the 1958 volume of the Coronal to Leo A. Pauly.

## Senior Assembly

The Senior Assembly was a smashing hit this year! The theme for the assembly was "Around the World in Forty Minutes." There were nearly seventy senior students participating in acts from Mexico to the United States. It was one of the best assemblies ever held at CHS.

These bright smiling boys give a lustre to the Senior Ditch Day. Their smiles and jokes helped to make this day a success for the many seniors!

What's the use of trying to put glasses on the dog? He knows they look better on the senior girls!??!

## Senior

You'd never guess that V. Torres is the smiling caballero in this Senior Assembly picture. M. Mendoza and I. Torres provide the music. The Mexican act provided much entertainment for an enthusiastic crowd.

The Senior Class' "Double or Nothing" booth was a huge success.

The class officers rode in the winning car of this year's car parade. J. Colladay, N. Marino, K. Tatum, L. Berner.

## Activities

One of the outstanding acts of this year's Senior Assembly was from the country of Japan. N. West, M. Arvin, R. Cleveland, L. Gulick, S. Foreman, A. Robinson.

Cadet Corps Hop?

Lined up for the car parade.

More Miss Sweetheart contestants: Marlene Augusta, Beth Johnson, JoAnn Brown, Jeanne Sturgis (junior princess), Teddy Nieblas.

Sophomore gals on display.

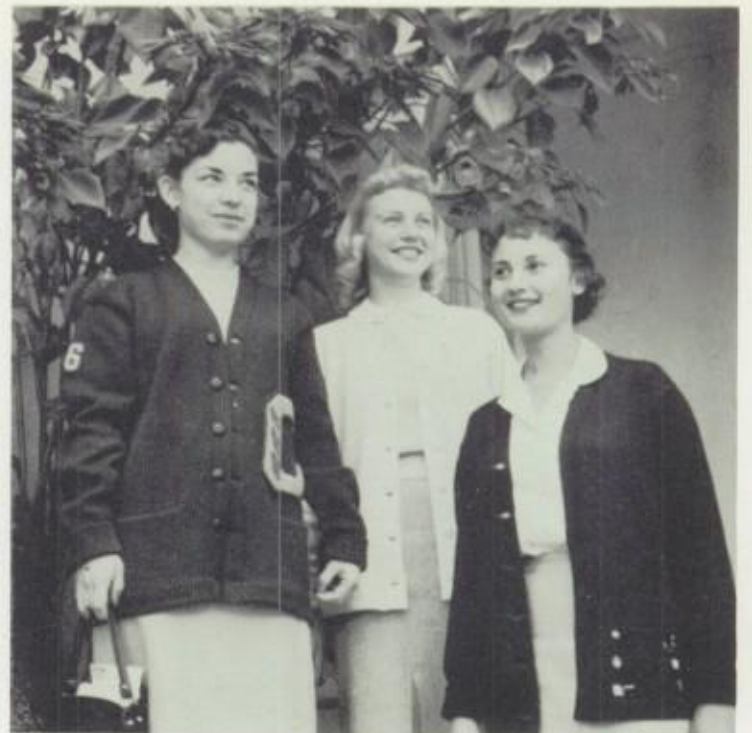

The lineup!?!

You know what—I think they look sort of out of place on this page.

Calvin meets The Boys.

There's a low ceiling today.

Where's my spaghetti? ? ? ?

Oh, come on boys, pose.

These happy juniors were cast in the very successful junior class play, "No More Homework." Here, they're seen studying diligently (?) for the night's performance!

Left to right are J. Bissill, E. Brown, and J. Coleman. The junior assembly was livened by some of their antics!

## Jr. Activities

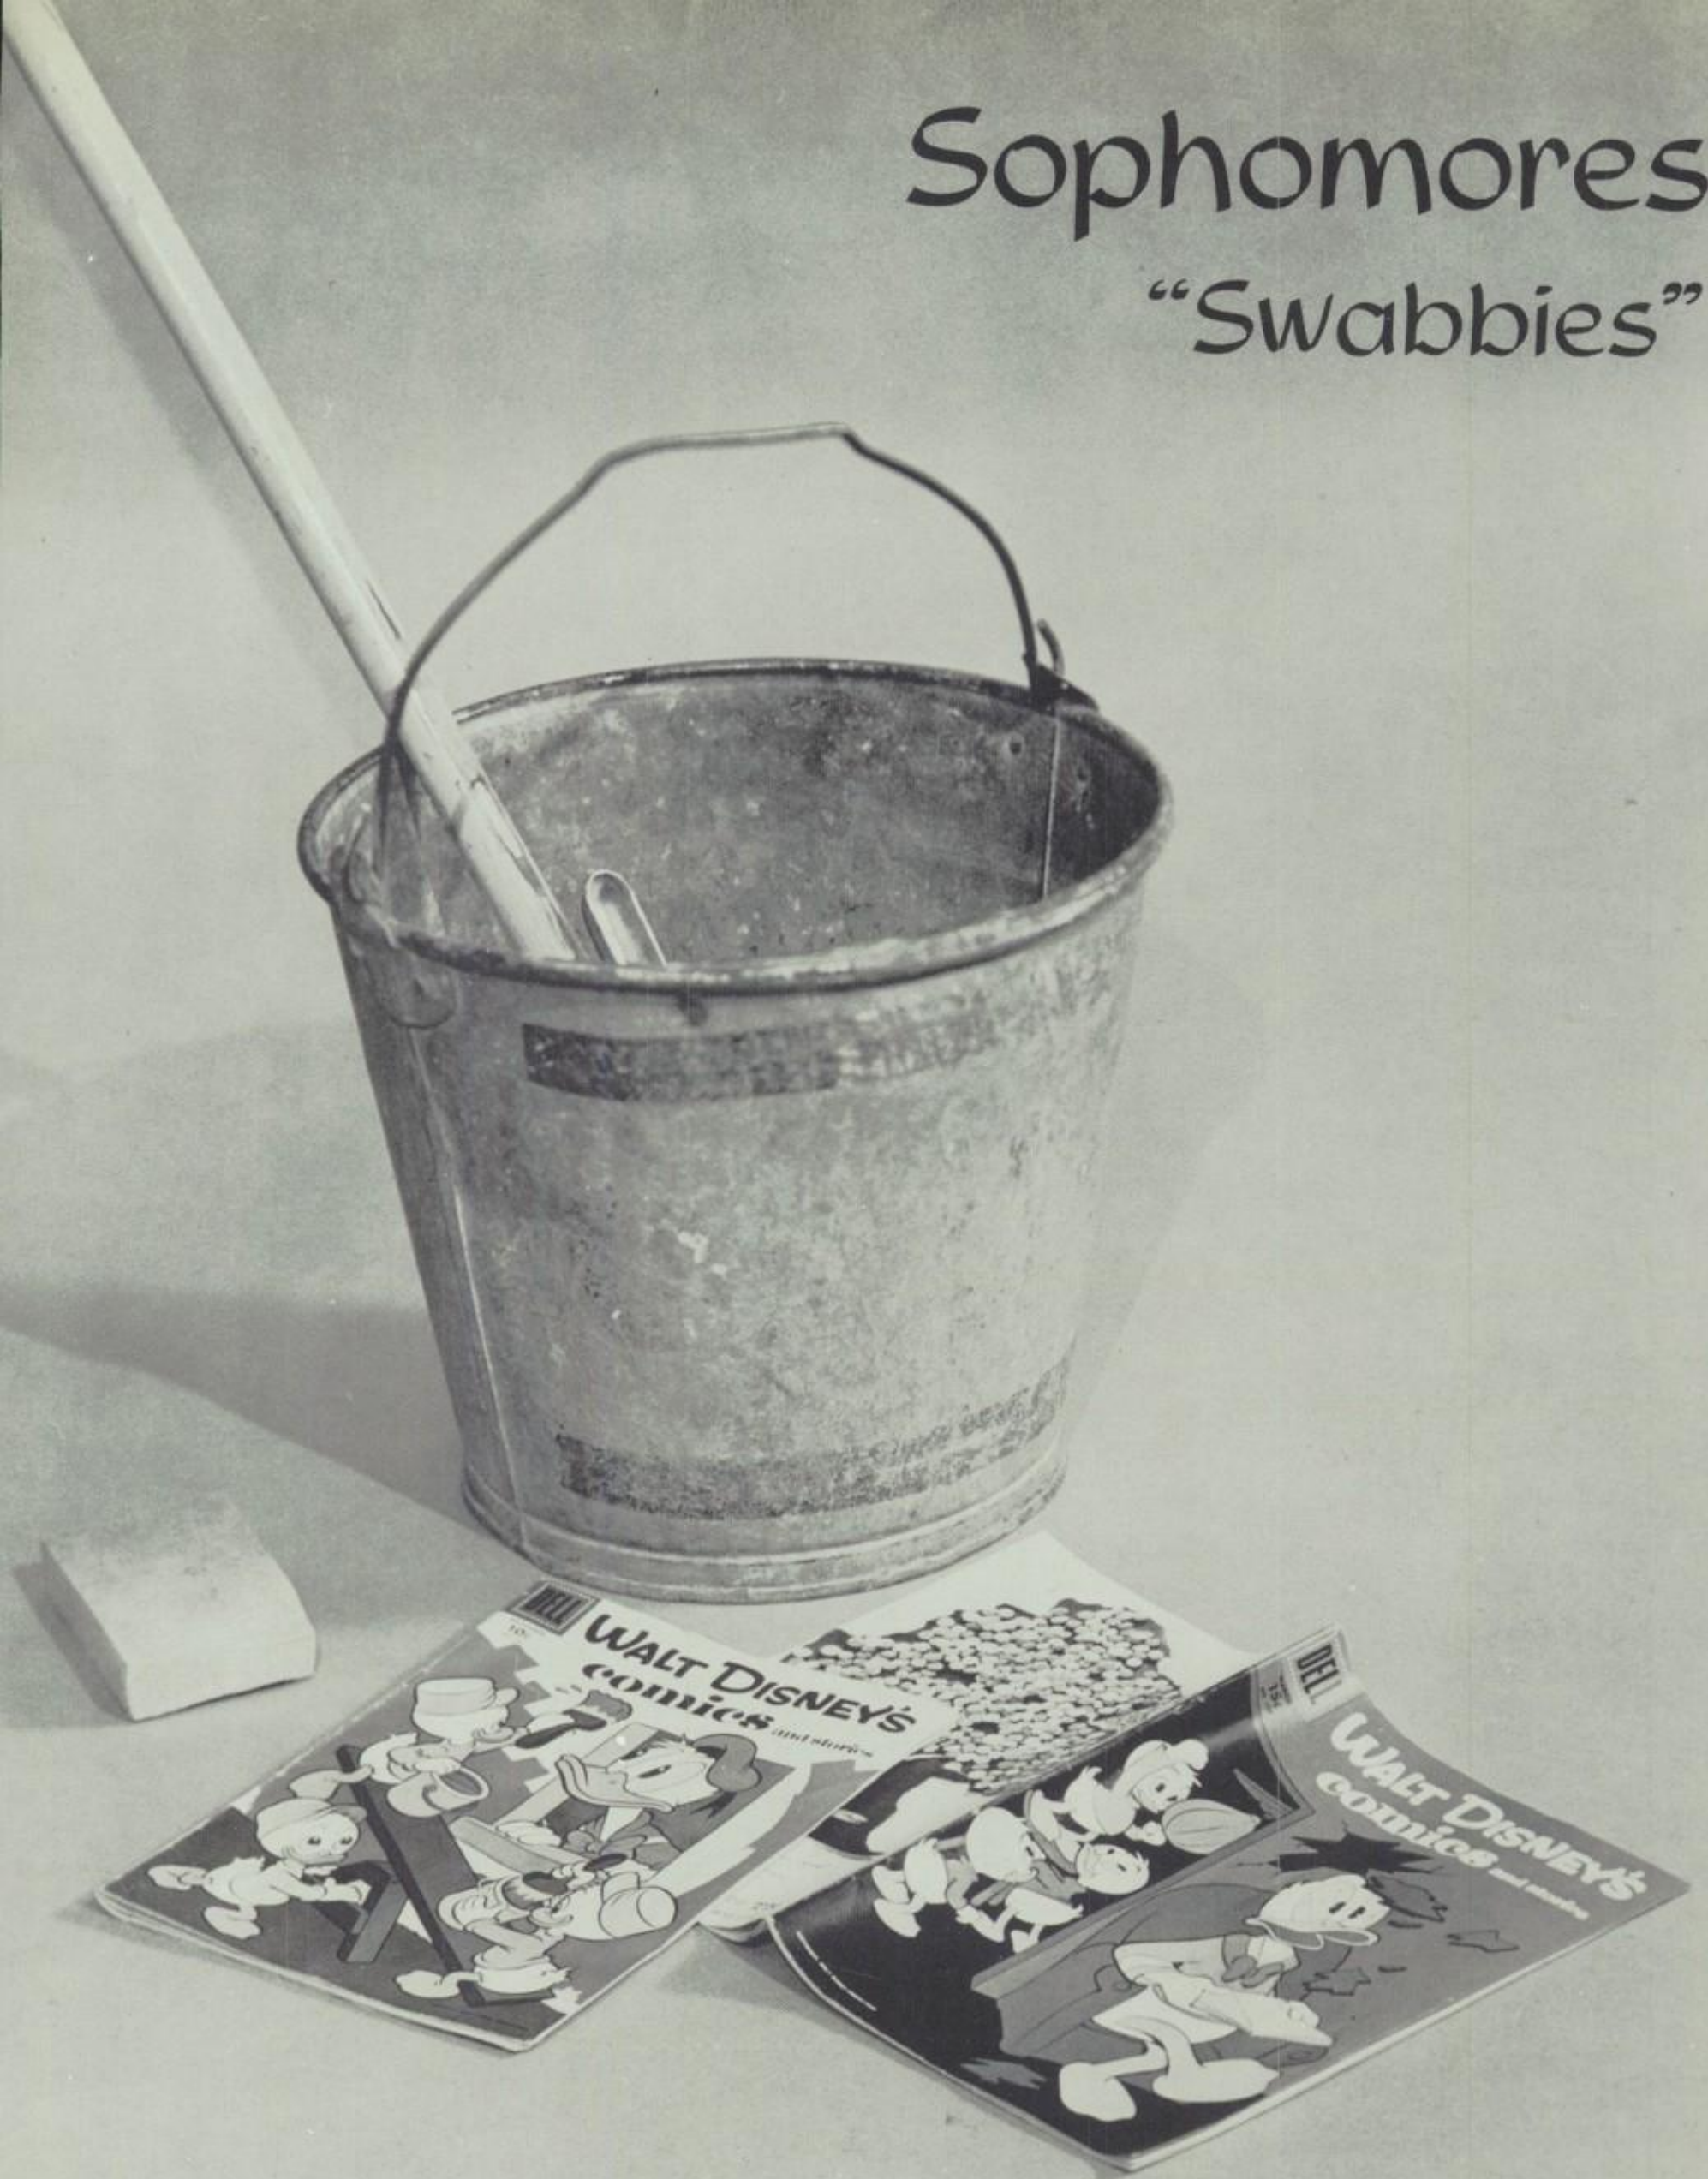

Presenting their own dance routine are L. Wagonseller, Z. McAllister, C. Schneider, N. Foreman, P. Gibbons, and M. Williams. Their act aided the junior assembly's telethon.

# SWAN SONG

Well, we finally made it, the Coronal is finished. We had no idea of the hardships and work that lay ahead when we chose our theme and started work.

Looking back over the year I recall a lot of funny things that happened, for instance Shelby fastening all the paper clips together, Joe Colloday and Karen Myers chasing the Agriculture class' chickens, and John Casey's imitations.

Seriously, I want to express my thanks to John and Beverly for handling the business so efficiently; to Karen for the nice art work and to Ravone, Marcia, Joe, and Shelby for their hard work writing copy, etc.

I want to express a special thanks to Mr. Leo Pauly for all the encouragement and help he gave me through the year. Also "thanks" to Rudy Ramos and Mr. Beckner for the wonderful pictures, for without them the Coronal would be impossible.

We have tried to make the 1957-58 Coronal a book everyone will enjoy and remember. If we have done this, we have reached our goal.

Thanks again.
